Technical Data Sheet

Date of compilation: 12/08/2021

KLEANX GROUT CLEANER

DESCRIPTION

Removes grease, dirt, residues of care products and stubborn deposits. For the grouting of wall and floor tiles indoors and outdoors. For ceramic and natural stone tile grouting. Also suitable for mineral joints on clinker, fascias, quarter bricks, natural stone and other masonry.

INSTRUCTIONS

The surface to be treated must be dry. Saturate the surface with an even spraying action.
Allow to work in for 1-2 minutes. Scrub sprayed grouting joints with a soft brush. Rinse out the brush often with clear water and remove the dirt film.

IMPORTANT

Before use, test the surface compatibility on an inconspicuous place to ensure there is no change in colour.

HEALTH & SAFETY

Causes serious eye irritation.
If medical advice is needed, have product container or label at hand.
Keep out of the reach of children.
Read label before use.
Wear protective gloves.
For more information and precautions for use refer to the safety data sheet.
