KLEANX STOVE GLASS CLEANER

DESCRIPTION

Removes soot, burnt-on residues, grease and stubborn deposits & dirt.

For use on fireplace and stove glass.

INSTRUCTIONS

Only use on surfaces which have cooled down sufficiently. Spray evenly onto glass and allow to work in for 1 to 2 minutes. Remove residues with a cloth or paper towel. Wipe over with clean water and rub dry with a clean cloth. Observe the cleaning tips provided by the stove manufacturer. Enamel lacquer should be properly fired before the first cleaning. Protect the surrounding areas and surfaces from contact and if necessary wash off immediately with plenty of water.

IMPORTANT

Protect the area surrounding the surface which is to be cleaned from contact with the product. If necessary, wash off immediately with lots of water.

HEALTH & SAFETY

Causes severe skin burns and eye damage. Causes serious eye irritation. If medical advice is needed, have product container or label at hand.

Keep out of reach of children.

Read label before use.

Wear protective gloves/eye protection.

For more information and precautions for use refer to the safety data sheet.

NOTE

All products should be sold in accordance with the manufacturer's instructions. The manufacturer cannot be held responsible where conditions of use are beyond our control. Full information and advice is freely available from our Technical Services Department e-mail technical@arcbuildingproducts.ie. Whilst any information contained herein is to the best of our knowledge true and accurate, no warranty is given or implied in connection with any recommendations or suggestions made by us, our representatives, agents, or distributors, as the conditions of use and any labour involved are beyond our control. Our warranty is therefore limited to the quality of supplied product.
