

## WEPOS Decking Cleaner

### Description:

Powerful but gentle cleaner for all outdoor wooden surfaces. Ideal for decking, fences, screens, garden sheds. Removes even the toughest stains without affecting the surface of the wood.

### Effect:

Easily removes persistent dirt, traces of use, bird droppings, environmental residues, running marks, oily and greasy soiling. Refreshes the coating and maintains the wood's natural appearance. Suitable for basic cleaning of wood surfaces that are to be repainted, varnished or oiled. In diluted form, all ideal for general cleaning. Reduces the adhesion of dirt and facilitates general cleaning. Regular use reduces early signs of aging, such as darkening, greying or fading.

### Application:

Wood surfaces in outer areas. Cleaning in preparation for painting, varnishing or oiling all hardwood surfaces and wood/ plastic compound materials (WPC), such as terraces, railings, pergolas, privacy shields, foot path borders, garden sheds, furniture, carports, balconies, wooden walkways, planks, jetties, bridges, etc., facade systems, windowsills, skirting boards, etc..

### Direction of use:

Basic cleaning, spots and severe contamination: Add 150 ml to a bucket of warm water. Apply with floor wiper or moist cloth. Finish with scrubbing brush and remove dissolved dirt. Then rinse with clean water. Use undiluted in cases of persistent dirt. General maintenance: Add 50 ml to a bucket of warm water. Mix well. Clean floor with floor wiper or cleaning cloths and let dry. Rewiping is not necessary.

### Important:

Let cleaned surfaces completely dry prior to additional treatment (painting, varnishing, oiling).

### Packing unit:

1000 ml-bottle (4 per box)

### Technical Information:

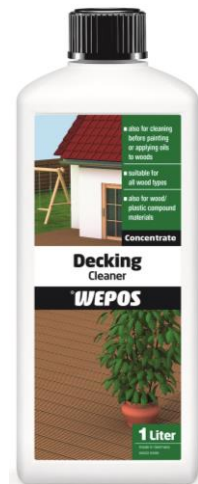

- Density: 1,02 g/ml
- pH: >2,5
- colour: clear fluid
- smell: recognizable

### Hazard statements:

Causes serious eye irritation.
