

## WEPOS Fridge & Freezer Defroster

### Description:

Quickly and effortlessly removes ice deposits, iced up areas and ice crystals, enabling convenient and easy defrosting. Saves energy by removing ice layers and increases the efficiency of refrigerators, freezers and freezer appliances.

### Effect:

Quickly and thoroughly dissolves ice sheets and ice crystals, allowing simple defrosting. Saves energy by removing ice layers, thus increasing the effectiveness of refrigeration units.

### Application:

Freezer sections of refrigerators, ice chests and freezer units.

### Direction of use:

Always turn off the appliance first. Remove any food from the area to be defrosted. Liberally spray icedover areas until they begin to thaw and/ or loosen the layer of ice. Mechanically remove the melted and loosened ice deposits. Catch the thawing liquid. Remove leftover ice and water residue with an absorbent cloth. Then thoroughly wash and dry the treated surfaces one more time. Turn the appliance back on.

### Packing unit:

750 ml-bottle (6 per box)

### Technical Information:

- Density: 0,90 g/ml
- pH: ca. 7,0
- colour: clear fluid
- smell: recognisable

### Hazard statements:

Highly flammable liquid and vapour. Causes serious eye irritation. May cause drowsiness or dizziness.
