## WEPOS Gravestone Cleaner

### Description

For intensive and thorough cleaning. Removes even persistent dirt, dark and green layers, deposits and discolorations caused by plants or leavers. Works quickly and is immediately visible. For gravestones, stone steps, wall coverings, monuments, sculptures, stone fountains, and natural and artificial stones in the outdoor area.

### Effect:

For deep, thorough cleaning. Removes and dissolves even stubborn dirt, dark-colored or green residue, deposits and discoloration caused by plants and fallen leaves.

Works quickly and is immediately noticeable.

### Application:

Gravestones, grave borders, stone steps, wall cladding, paving stones, monuments, sculptures, stone fountains, natural and concrete blocks in outdoor areas.

### Direction of use:

Do not pre-treat the affected surface. Spray on the product evenly and liberally from a distance of about 5-10 cm. Let it sit for 15 minutes, then use a brush or sponge to clean it off. Rinse with plenty of water.

### Important:

Before treatment, spot-test a small area to make sure the product will not damage the surface. Do not spray plants, textiles or metal. Protect your skin, clothing and the surroundings from the spray. The product has a bleaching effect! Store and transport the package upright in a cool, dark environment.

### Technical Informations

- Density: 1,1 g/ml
- PH: 13 – 13,5
- colour: yellowly
- smell: like baths

### Sicherheitshinweise:

Irritant

Contact with acids liberates toxic gas.

Irritating to eyes, respiratory system and skin.

Keep out of the reach of children.

Do not spray.

Avoid contact with skin and eyes.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Wear suitable gloves.

If swallowed, seek medical advice immediately and show this container or label.
