WEPOS Kitchen Degreaser

Description

Top degreasing power. Removes all types of household grease. Easily and reliably removes grease films, greasy deposits, burnt-on stains and even stubborn encrusted dirt. Powerful immediate effect, for hygienic and food-safe cleaning.

Effect:

Removes all types of grease in the household. Easily removes grease films and greasy deposits. Burnt-on and even stubborn encrustations are dissolved. With intensive immediate action, cleans hygienically and safely around foods.

Application:

For all surfaces in the kitchen and household which are washable with water, in particular for hoods, stoves, kitchen cupboards, kitchen appliances, tiled mirrors, work surfaces and working areas. Also for washable grease filters.

Direction of use:

Spray undiluted onto the surface and allow to work-in for a few seconds. Take up dissolved dirt with a sponge or cloth and subsequently wipe off with warm water. In the case of particularly stubborn deposits, repeat the treatment with a sponge or brush and rinse off with water.

Important:

Check sensitive surfaces, such as e.g. on high-gloss paint, for compatibility on an inconspicuous place before treatment.
