WEPOS Professional Glass Cleaner

Description

Concentrate for streak-free and smear-free cleaning with high degreasing and desoiling with its anti-soiling effect. For cleaning glass, frames and car windows. Creates an anti-misting effect on mirrors and lenses. Also suitable for conservatories.

Effect:

Streak-free cleaning with the high capacity of dissolving grease and dirt. Removes stubborn dirt, such as grease film, skin oils, emissions, nicotine deposits and fly dirt. Prevents quick re-soiling due to anti-soiling effect. Produces an anti-condensation effect on mirrors and spectacles.

Application:

For cleaning glass, frames and automotive glass. Suitable for windows, showcases, glass tables, glass doors, windshields, winter gardens, spectacles and mirrors

Direction of use:

Add 100 mL to a bucket of warm water. Wash surface off with cloths, sponge or window wiper. Then polish with shammy or rubber lip.

Important:

Anti-condensation effect is strengthened as a result of repeated use.
