

Environmental Policy

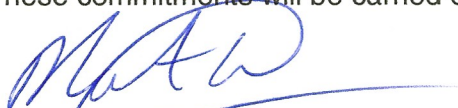

ARC BUILDING PRODUCTS

ARC Building products is aware that its business activities impact upon the environment and is committed to ensuring these activities have the least possible detrimental effect.

We are committed to:

- Complying fully with all relevant legal requirements, codes of practice and regulations.
- Assessing the environmental impacts of our operations, continuously seeking to reduce these impacts and improving our resource efficiency through reduction of energy, water use and waste.
- Assessing our products' make up and production processes to make use of recycled elements where possible.
- Promoting environmental and energy awareness in our employees through participation and training.
- Working with our suppliers and customers to make more environmentally sensitive choices.
- Monitoring our progress to ensure ongoing improvements in our environmental performance.

These commitments will be carried out and reviewed on an ongoing basis
